<b>Problem #</b>	<b>Chapter titles</b>
8	factor by graphing
5	solve rational equation using solver
5	convert radians to degrees
14	solve linear systems
20	calculate absolute minimum graphically
10	function evaluation
20	solve linear inequalities
12	solve linear-quadratic system
21	solve radical equations
22	solve linear system using structure
23	solve linear equation using solver
24	solve linear equation using structure
25	solve linear-quadratic system using structure
“Extra”	factor a cubic graphically
